

AHS Foundation Needs Your Support

The AHS Foundation was established at the urging of the Society to provide long-term assured funding for annual scholarships including the [Bouwer, Halpenny, and Flagstaff Internships](#), three [scholarships](#), and other programs intended to assist outstanding and deserving students. Please consider making a donation to support the Arizona Hydrological Society Foundation!

Given the current economic situation, now, more than ever, we must aid those bright students who will become the young professionals motivated to solve the critical water problems facing Arizona, the United States, and the world at large. The AHS Foundation manages its endowment funds very conservatively, preserving capital and allocating only earnings to support the scholarships. In the present financial climate, it is difficult to maintain, much less expand, these highly successful educational programs. For this reason, your charitable contribution will provide vital dollars to sustain and enhance the Foundation's efforts to provide these unique educational opportunities to our future leaders in the hydrological sciences.

The Arizona Hydrological Society Foundation is a 501(c)(3) organization. All donations qualify for a 100% charitable deduction on personal or business income tax returns. Foundation Directors are all volunteers and are not paid for their time, support or work for the Foundation.

YES, I want to support the Arizona Hydrological Society Foundation!

Enclosed is my check for:

\$25 \$50 \$100 \$250 Other \$_____

Please apply my gift to the:

- Leonard Halpenny Endowment
- Herman Bouwer Endowment
