PHOENIX CHAPTER

2010 HERMAN BOUWER INTERN SCHOLARSHIP

The Phoenix Chapter of the Arizona Hydrological Society (AHS) is seeking applicants for the **2010 AHS Herman Bouwer Intern Scholarship Program**. This program is open to students enrolled in a hydrology-related discipline at any Arizona college or university. The program provides an opportunity for a student to gain experience with several water resources and environmental organizations in the Phoenix area between May 1, 2010 and September 1, 2010. Participating organizations will include government agencies, private industry employers, and environmental consulting firms. The student may elect to obtain OSHA 40-Hour Hazardous Waste Operations Training as part of the internship. This will allow the student to enter hazardous waste sites. The program also includes a monetary scholarship award of \$3,000. The Tucson and Flagstaff Chapters of AHS also offer similar award programs.

Interested applicants must complete the attached application and forward all materials in hard copy or pdf electronic format to:

Description of Intern Scholarship Program:

- **Applications and all related materials must be received by 5:00 PM March 22, 2010.**
- Candidates must be available for an interview in April (time to be determined). The AHS Intern Scholarship Committee will select an intern by April 26, 2010.
- The selected candidate will be required to complete 200 hours of service with at least three organizations chosen from a list of participating employers. Included in the 200 hours is an optional OSHA 40-Hour Hazardous Waste Operations Training course. The student will serve 40 hours with each organization, and additional hours will be served with participating employers at the student's and the organization's discretion.
- Scheduling will be flexible and will be negotiated by the student and the participating organizations. Service can be completed anytime between May 1, 2010 and September 1, 2010.
- The selected candidate may be required by participating organizations to sign liability and confidentiality waivers or submit to drug testing prior to service.
- The student will be invited to attend the May 2010 Phoenix Chapter meeting as a guest of the AHS and the Arizona Hydrological Society Annual Symposium in September 2010 to formally receive the award. After completion of the program, the student will be expected to submit a short article to the AHS monthly newsletter describing his or her experience.
- Prior AHS Intern Scholarship winners are not eligible for this award.
- The monetary award of the scholarship will be \$3,000. Payment may be made to the student in several increments, with a final sum to be awarded after submission of the newsletter article.

Student inquiries should be directed to the contact information provided above.
